MEMORY BOOK PHOTO COLLECTION

WE RELY ON YOU!

We all treasure our FOP memory books, don't we? This year's books will be a bit of a challenge to produce, but we know you parents will help the memory book makers by providing lots of photos! We would love to see your child involved in distance learning. Have you come up with a creative workspace, fun PE activities, crafts and projects, ways for your kids to keep in touch with their friends? Have your kids worked hard on a project and would like to show it off? We need all the pics! There are some department-specific spirit days coming up – if your kids participate, please take and submit photos! As much as we'd all like to be at school, doing our usual activities, going on field trips, etc., distance learning is our reality right now, so let's include it in our memory books. Submit photos to the following email addresses, depending on your child's department. Perhaps you could save the email addresses in your contacts so that it'll be easy to send photos each time you snap one. Please send full quality photos if possible, and include child's name/grade/teacher.

(Yes, the upper email is a bit different than the others, it's not a typo!) Thank you so much for supporting this beloved FOP tradition!

LOVE MODESTO

YOU CAN MAKE A DIFFERENCE

October 3 is the annual Love Modesto day. Check out <https://www.lovemodesto.com/> for a list of volunteer opportunities and to sign up. There are lots of options for helping out our town and neighbors, in a safe way.

FOP STICKERS, YARD SIGNS & GLASSES

FOP stickers, yard signs and souvenir glasses are still available in the FOP store: <https://fopstore.square.site/>
You can also pay your annual fund drive at the store.

NO VIRTUAL TUESDAY FOLDER TODAY

We don't have any attachments today, but thank you for reading the Tie-Dye, and don't forget to read your individual department notes which are distributed by teachers.

FOP DIRECTORY

PLEASE MAKE SURE YOU'RE INCLUDED

We're working on creating our FOP family directory for this school year. Please follow this link to a quick Google form where you can input your directory info, or opt out of the directory:

<https://forms.gle/ZcprPK92kdaXXSAg8>

Especially during this distance learning time, it's important for families to be able to connect with each other. The directory is also a helpful resource for PAG Committees and teachers. Thanks for doing your part to complete the directory.
